

Arani Biotech LLP
Enhancing human life with nature

SUKIZYME
ENHANCING HUMAN LIFE WITH NATURE

India's first ISO certified bio enzyme manufacturing company

Bio enzyme derived home care and personal care products

- 01** Maintains oxygen levels & purify the air at the atmosphere
- 02** Used water can be reused as bio fertilizers for plants
- 03** It has anti microbial properties and insect repellent too
- 04** Never cause any skin or eye irritation
- 05** Minimalises water usage
